Address:

372 2 ND ST, Near Ramsdell Theater, Manistee

Price:

100.00 \$

Beautiful commercial frig/freezer combo. Refrigerator side does not work. Chrome hardware in great condition. Doors come off easily. Separate compressors, so left/ narrow door is the working freezer. We have decided not to repair due to its age. You wont find

food grade stainless steel out there like this! So shiny, inside all stainless too. Hoping that it can be repaired by an owner with a refrigeration license for oneself. It could also have a second life as a smoker?? If nothing else, it is valuable as recycled metal. Very heavy, so bring strong backs and and some kind of dollie. Please call if you have questions. Call hard line 231-398-0816 or text to 231-690-1215
