Price:

**175.00 \$**

This is a Sharp Model CV-10NH. Great Air-conditioner that can be moved from window to window very fast and easy. It is on wheels and can be rolled where ever you need it. The air intake hose can be extended up to about 4.5' . It show a couple scratch's and some marks on the side but this thing is a tank while being sleek and shinny. Ready to Cool a room near you. Complete model information in the pictures provided. Don't hesitate to ask questions or make an offer.
